A Camper's Considerations

- DO enjoy the camp facilities: store, recreation room, swimming pool, laundry, and trails.
- DO check-out or re-register by 1:00 pm.
- Do help us maintain a sparkling clean camp environment by keeping and leaving our camps clean and discarding all litter in available containers.
- DO keep pets on a leash, clean up after them, and out of the pool area at all times.
- Do accompany children under 8 years old when they use the restroom.
- DO remember there is no lifeguard at the pool and accompany children under 14 while they are swimming.
- DO observe the posted speed limits
- DO build fires only in your grill or in a fire pit.
- DO observe the quiet hours between 10:00 pm and 8:00 am.
- DO have another person watch and guide you while backing into your space to avoid damage to water and electric hook-ups. Camp manager will gladly assist. We do charge for damages.
